**JOINT IDENTIFICATION OF MEDIATOR**

As anticipated in the case summary, the parties have now conferred, and selected an agreeable mediator. The parties have identified Richard Grauer of Huntington Woods, MI. The case summary anticipates the potential for mediation in late March or early April. Notably, Plaintiff does not feel the case is ripe for mediation at this point. However, if the parties do proceed with the discovery that is outstanding, the case may then be ripe for mediation.

Defendants disagree with Plaintiff, and believe that this case is ripe for mediation. Indeed, Defendants have filed a Motion to Stay all pending and future discovery in this case, except for the Court's ordered deadlines related to case facilitation, pending resolution of a Inter Partes Review of the patent-in-suit filed by LaRose Industries, LLC. (D.I. 27) Defendants have informed Plaintiff that they may agree to informally exchange information for the purpose of facilitating the mediation while the case is stayed. Defendants intend to work with Plaintiff and Mr. Grauer to schedule and complete mediation expeditiously while the case is stayed.

Respectfully submitted
